- (i) The Existing Pension (including commuted portion of pension, if any)/ Existing Family Pension.
- (ii) Dearness Pension, if any, as applicable from 1.4.2004 to those retired /died prior to 1.4.2004.
- (iii) Dearness Relief upto AI CPI (IW) 536 i.e. 24% of basic pension/family pension plus dearness pension.

- (iv) Fitment weightage @ 40% of the Existing Pension/Existing Family Pension. Where the amount of fitment weightage works out in fraction of a rupee, it will be rounded off to the next higher rupee.

NOTE: *Where the Existing Pension/Existing Family Pension includes the effect of merger of 50% of Dearness Pay in respect of those retired/died on or after 1.4.2004, the existing pension/family pension for the purpose of fitment weightage will be re-calculated after excluding the merged Dearness Pay of 50% from emoluments for computation of existing pension/existing family pension. This will be in line with the definition of "Existing Pension" and "Existing Family Pension" given in Para 3 of these orders.*

4.2. The amount so arrived at in terms of Para 4.1 above will be regarded as consolidated pension/family pension with effect from 1.1.2006. **Since the consolidated pension will be inclusive of commuted portion of pension, if any, the amount of pension commuted will be deducted from the said amount while making monthly disbursements.**

5. The consolidation of pension will further be subject to the provision that the consolidated pension, in no case shall be lower than fifty percent of the minimum of the pay in the pay band plus the grade pay corresponding to the pre revised scale from which the pensioner had retired/discharged including Military Service Pay and 'X' Group pay where applicable. For example, if a pensioner had retired in the pre-revised scale of pay of 6600 - 170 - 9320, the corresponding pay band being 9300 - 34800 and the corresponding grade pay and Military Service Pay being Rs. 4,600/- and Rs. 2,000/- respectively, his minimum guaranteed pension would be 50% of Rs. 9300 + Rs 4600 + 2000 i.e. Rs 7,950 for 33 years of qualifying service. The pension so calculated will be reduced pro-rata, where the pensioner had less than the maximum required service of 33 years for full pension and in no case it will be less than Rs. 3,500/-. In case the pension consolidated as per Para 4.1 above is higher than the pension calculated in the manner indicated above, the same (higher consolidated pension) will be treated as Basic Pension with effect from 1.1.2006.

The consolidation of family pension will be subject to the provision that the consolidated family pension, in no case, shall be lower than thirty percent of the sum of the minimum of the pay in the pay band and the grade pay thereon corresponding to the pre-revised pay scale in which the pensioner/deceased Armed Force personnel had retired/died including Military Service Pay and 'X' Group pay where applicable. In case

the family pension consolidated as per Para 4.1 above is higher than the family pension calculated in the manner indicated above, the same (higher consolidated family pension) will be treated as Basic family pension with effect from 1.1.2006.

6. The following elements will continue to be paid as separate elements in addition to the pension/family pension updated under these orders. These payments will not be taken into account for purpose of consolidation as well as for applying minimum limit of Rs. 3500/-per month to pension/family pension:

- (i) Monetary Allowance attached to gallantry awards such as Param Vir Chakra, Ashok Chakra etc.
- (ii) Constant Attendance Allowance where admissible.

6.1 With effect from 01.01.2006, the amount of adhoc exgratia will cease to be paid in respect of Pre-1.1.1973 Commissioned Officer pensioners as all Pre-1986 pensioners have been brought at par with Post -1986 pensioners.

Note:

The payment of adhoc exgratia for Pre-1.1.1973, PBOR pensioners stands already discontinued with effect from 1.1.2006 under this Ministry's letter No. 14(3)/2004-D (Pen/Sers) dated 2.5.2006.

7. Since the consolidated pension/family pension arrived at as per Para 4.1 above includes dearness relief upto average index level AI CPI 536, dearness relief will be admissible thereon only beyond index average 536 in accordance with the revised scheme of dearness relief for which orders have been issued separately by Department of Pension and Pensioners' Welfare vide their OM No. 42/2/2008-P&PW(G) dated 12.9.2008. The four installments of dearness relief sanctioned earlier from 01.07.2006, 1.1.2007, 1.7.2007 and 1.1.2008 in Department of P&PW's Office Memorandum No. 42/2/2006-P&PW(G) dated 15.9.2006, No. 42/2/2007-P&PW (G) dated 29.03.2007, No. 42/2/2007-P&PW(G) dated 18.9.2007 and No. 42/2/2008-P&PW (G) dated 19.03.2008 respectively will be adjusted towards the arrears becoming due on updation of pension/family pension as in Para 4.1 and Para 5 above.

8. Where the consolidated pension/family pension in terms of paragraph 4.1 above works out to an amount less than Rs. 3,500/-per

month, the same will be stepped upto Rs. 3,500/-per month. This will be regarded as pension/family pension with effect from 01.01.2006.

9. Pending finalization of the rates of disability/war injury element and issue of separate Government orders in this regards, the disability pension/war injury pension consisting of service element and disability element/war injury element will be consolidated under the provisions of Para 4.1 above as an interim measure and will be treated as revised interim disability/war injury pension with effect from 1.1.2006. This interim disability/war injury pension will qualify for grant of dearness relief at the revised rates notified vide Dept. of P&PW OM No. 42/2/2008-P&PW(G) dated 12.9.2008.

9.1 Where a pensioner is in receipt of disability/liberalized disability/war injury pension, the minimum limit of Rs. 3,500/- will apply to service pension/service element and disability/war injury element will be payable in addition. Where the disability element is drawn in isolation, the minimum limit of Rs. 3,500/- will apply for 100% disability. For lesser degree of disability the minimum limit will be proportionately reduced.

10. The upper ceiling on pension/ordinary family pension laid down in the Department of Pension and Pensioner's Welfare Office Memorandum No. 45/86/97-P & PW(A) (Part-I) dated 27.10.1997 has been increased from Rs. 15000/- and Rs. 9000/- to Rs. 45,000/- and Rs. 27,000/- i.e. 50% and 30% respectively of the highest pay in the Government (The highest pay, in the Government is Rs. 90,000/- since 1.1.2006).

11. In the case of pensioners in receipt of civil and military pension, the floor ceiling of Rs. 3,500/- will not apply to the two pensions taken together and the individual pension will be governed by respective Pension Rules. Accordingly, the floor ceiling of Rs. 3,500/- will apply individually to the civil and military pension.

In case a pensioner is in receipt of pension as well as a family pension, the floor ceiling of Rs. 3500/- will apply individually to such pension and family pension.

12. **Additional Pension for Pensioners 80 years age and above**

The quantum of additional pension/family pension available to the old pensioners/family pensioners shall be as follows: -

Age of pensioner/family pensioner	Additional quantum of pension
From 80 years to less than 85 years	20% of revised basic pension/family pension

The amount of additional pension will be paid directly by the PDA without any individual authorization where date of birth of pensioner/family pensioner is available in the PPO and shown separately in the pension scroll. For example, in case where a pensioner is more than 80 years of age and his/her revised pension in terms Para 4.1 & 5 above is Rs. 10,000 p.m., the pension will be shown as (i) Basic Pension = Rs. 10000 and (ii) Additional Pension = Rs. 2000 p.m. On his/her attaining the age of 85 years, it will be shown as (i) Basic Pension = Rs. 10000 and (ii) Additional pension = Rs. 3000 p.m.

NOTES:

1. The pension of Pre-1.1.2006 pensioners is required to be first revised by Pension Disbursing Agencies in terms of Annexure-1 read with Para 4 of this letter. However, in case the pension so consolidated happens to be less than the amount indicated in the Table above, the pension protection as indicated in the Table will be given. In case the pension of a senior rank happens to be less than the revised pension of a lower rank, which may happen in rare cases, such cases may be referred to the Pension Sanctioning Authorities concerned.
2. Rates of Pension at Table -1 above have been shown for qualifying service of 10 years and above as Armed Forces personnel is entitled for invalid pension after 10 years of qualifying service.
3. In order to cover all conceivable situation, revised pension with as low as 10 years qualifying service has been shown in this Table even for such senior ranks as Lt. Gen./Maj. Gen./Brigadier even though such cases may not occur in reality.

Explanatory Note:

As a result of the difference in weightage allowable to different ranks, the pro-rata pension in earlier cases in certain lower ranks is more as compared to higher ranks with same qualifying service.

Annexure - III as referred to at Para 16.3 of MOD letter No.17(4)/2008(1)/D(Pen/Pol) dated 11.11.2008
